DIRECT TESTIMONY
OF
TIMOTHY E. BROWN
ON BEHALF OF
MADERA UTILITIES, INC.
DOCKET NO. 2003-368-S

Q. PLEASE STATE YOUR NAME AND BUSINESS ADDRESS.

A. My name is Timothy E. Brown. My business address is PO Box 1231,
Bennettsville, South Carolina.

Q. WHAT IS YOUR CONNECTION WITH MADERA UTILITIES, INC.?

A. I am a licensed General Contractor and Construction manager for South
Carolina with experience in the construction of sewer lines and lift stations. I
have been asked to look at the Heatherwood System by Madera. I have
examined the system and the engineering study done by B. P. Barber
Associates, Inc. for the city of Clemson and, in my opinion, the cost estimates
of \$134,000 for the lift station and forced main and \$180,000 for the system
improvements are fair and accurate.
